Landlord Gas Safety Record

Certificate Number: CP12B009

This form allows the recording of the results of the required checks as defined by the Gas Safety (Installation and Use) Regulations. Chimney systems were inspected visually and checked for satisfactory evacuation of products of combustion, a detailed internal inspection of the chimney system has not been carried out. The information recorded on this form does not confirm that the installation was installed by a person licensed by Gas Safe Register nor that the installation complies with any relevant Building Regulations.
